

CRISTINA COROLEU. I SAW FLOWERS

March 8- April 8

Centro Cultural Recoleta

1 pm

The Centro Cultural Recoleta, belonging to the Ministry of Culture of the City of Buenos Aires, extends an invitation to visit the following exhibition on its last week open. As always, it is open to all, with free admission.

On this occasion, Cristina Coroleu sets a tour through different artistic series, which, through its brushstrokes, show the floral variety that inhabits our city. Even though the artist outlines signs that evoke Japan, she subdues them to spell "Buenos Aires". But not just any Buenos Aires: the Buenos Aires Charles Thays lefts us and that Coroleu sums up by simply saying "las floraciones de Buenos Aires." March 8-April 8. Galleries 1 and 2.
